SAVE THE DATE

Delft-FEWS User Days Australia 2019

30–31 May 2019

The Bureau of Meteorology, Seqwater and Deltares are pleased to invite you to **save the date** for the Delft-FEWS User Days Australia 2019.

The Delft-FEWS User Days Australia are a great opportunity to connect with the Delft-FEWS community—to showcase progress, share experience and learn about new developments and ensure you're getting the most out of your platform.

The organising committee seeks your intent to attend, and your contribution to help make the event a highly valuable experience for you.
