Delft-FEWS Software Community

Welcome to the Delft-FEWS Community Portal. On this portal you can find all relevant information about the Delft-FEWS platform. But more than only being a means of communication among developers, clients, consultants and project leaders at Deltare, it is also a way to connect with users around the world, discuss new (innovative) applications and be a source of inspiration.

We invite all users of Delft-FEWS to [join this community](#) to discuss about interesting topics, new applications and help answer questions of other community members.

If you have never heard of Delft-FEWS before, have a look at the [About Delft-FEWS](#) page. Delft-FEWS is **Free Software**. To get an idea about the possible application of Delft-FEWS, browse through the [showcases](#). And if you have a question or want to discuss your ideas, have a look at the [Forum](#). Scientists: check the [documents pages](#) for articles and posters on how Delft-FEWS can help you. Those of you that want to see Delft-FEWS with their own eyes can download it from [here](#).
