# Deltares

enabling delta life

Deltares

Towards a FEWS Web OC
Pitch

Tom Bogaard, Daniel Twigt

09-11-2020
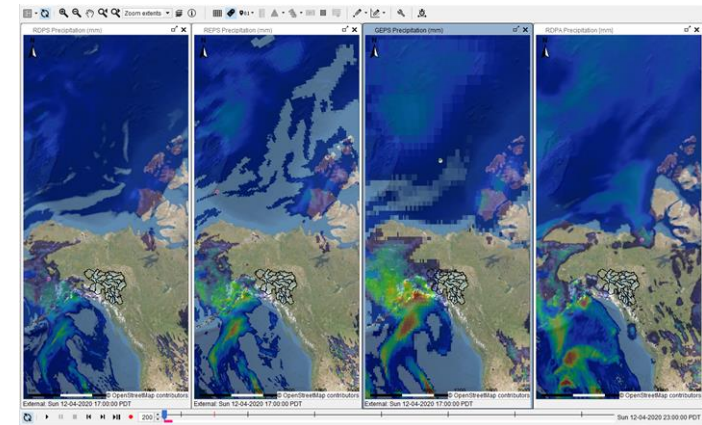

The Delft-FEWS User Interface

1997 ← Delft-FEWS desktop OC → 2020

The way we interact with and host software changes

Deltares

Delft-FEWS Vision 2025

Towards a Web Operator Client

Building on experience

Within Deltares

And outside of Deltares

Web OC

Deltares

Defining starting points

- What are key use-cases?
  - How many users?
  - Which functionality?
  - How customizable?
- Which technical solutions?
- Which development model?
- How to prioritize?
- Who want to contribute?

Deltares

Looking forward to hearing from you during the break-out session!

Deltares
